

Okaparnis Side Quest – Time Flows Again!

During your travels you stumble upon a ghost ship. It is the home of the infamous Clapper. He is so bad with time that he constantly wears a large, heavy clock around his neck. One day, on his way to the Gates of Y, he had a terrible accident...

Clapper was so engrossed in the following crossword puzzle that he forgot to check to see where the ship was heading. Once he realized that he was heading for a dangerous whirlpool, he ran to the stairs, but lost his balance because of his clock and fell down the stairs. When he woke up, he was a ghost.

Task: Help Clapper to finally be able to rest in peace by completing his crossword puzzle...
